

RINK MONITORING AGREEMENT

Rink Monitoring is a vital service provided by the volunteers at the Skating Club at Dartmouth. Having a rink monitor on all freestyle sessions allows the program music to be played, walk-on fees to be collected, and provides supervision and oversight in the case of an emergency. Our coaches are on the ice to give private or group instruction, and we need to ensure that their time is not compromised. Remember they could be working with your skater.

The Board of the Skating Club has instituted this agreement for all freestyle skaters to help encourage participation. Please write a separate check at the time of registration. The Skating Club will hold your check until you meet the requirements outlined below. If you do not meet the requirements outlined below, we will deposit your check. If you choose not to rink monitor (which is perfectly acceptable), then your check will be deposited at the end of the session. If you do meet the requirements below, we will either return your check to you, or hold the check for the next session.

We do not want this to be viewed as a penalty in any way; instead, we want to help facilitate better and more equitable coverage for the Rink Monitoring. Rink Monitors are frequently a parent of skaters, but siblings (age 18 and over) are also welcome to volunteer. The rink monitoring requirement is proportional to the number of times a skater is on the ice - the more often a member skates; the greater the rink monitor obligation. The exact number of sessions will vary depending on the available ice and the length of the particular registration period.

Requirements for rink monitoring are as follows:

<u># of Skates/Week</u>	<u># of Required Sessions</u>	<u>Amt. of Deposit</u>
1 session	3	\$100.00
2-3 sessions	4	\$125.00
4-5 sessions	6	\$150.00
6 sessions or more	8	\$175.00

We have setup an on-line sign-up sheet on the SCAD web site, www.scadskaters.org. Please sign-up as soon as possible so that we can resolve empty slots. If you have questions contact the Rink Monitor Coordinators (Annie Mackintosh and Penny Loschiavo) at sk8info@scadskaters.org. It's first-come, first-served for scheduling, so please respond quickly. Thanks in advance for your co-operation. The Board welcomes your questions and comments. Families will be asked to volunteer for more sessions if rink master coverage is not complete.
